## 2008 Resource Directory

Be a part of the CDCBA Resource Directory!

The Resource Directory includes the Schedule of Events for the 2008 Conference, Sponsor's full page ads, the 2009 Calendar and the current CDCBA Rules. It also includes Directory Pages. It is a resource throughout the year.

We invite you to be included in the 2008 Directory Pages.

Look at the benefits:

- Your colleagues throughout the State will immediately know how to contact you and will instantly have access to your area of practice and location. How often have you returned from the Conference and needed a referral in another part of the State and struggled to remember "that family law lawyer from San Francisco who I met at last year's Conference." The same thing happens to everyone. Now all you will need to do is look in the CDCBA Directory which was distributed to every delegate.
- You become a resource to the CDCBA and the State Legislature. Legislators and their staff seek CDCBA's comment on pending or proposed legislation. As an attorney practicing in an area of interest to the State Legislature, we can refer the Legislators to you for your insight in that area of law.
